

Damage Billing

ENSURE YOUR LONG TERM ASSETS

PROPERLY **DOCUMENT**,
DELIVER AND
RECOVER

THE COSTS ASSOCIATED
WITH SINGULAR AND
END OF TERM BUILDING
DAMAGES!

The **Damage Billing Module** has been designed specifically for residence life and university housing departments. We have developed a series of tools to ensure that University Housing assets are protected for years to come.

Damages are an unfortunate part of the Housing experience but with the **Helix DC, Damage Billing Module**, your school can ensure that room, common area and building damages are recovered and responsible parties are held accountable.

**Complete
damage
tracking.**
